

Nestled along the shores of Georgian Bay just north of Owen Sound sits Legacy Ridge Golf Club, one of Ontario's premier golf destinations. Legacy Ridge Golf Club offers a unique mix of picturesque scenery, rich history and experienced, hospitable staff. These ingredients come together to make this Owen Sound golf club a must-play destination for visitors from across the globe.

Golfers have loved the Legacy Ridge Golf Club course since it was first opened in 1920. The course, spanning 6,301 yards from the longest tees, was designed by famed golf course architect Stanley Thompson. The course layout manages the difficult double task of challenging experienced players while helping others relax as they enjoy this classic game.
